Offering superior quality true sine wave output, the PROsine 1000 and 1800 stand-alone inverters are ideally suited for electrical systems that already have a quality multistage battery charger.

Continuously supplies up to 1800 watts of 120V AC power to 4 AC outlets from any 12V battery or automotive DC source. Includes a set of nut-and-bolt style DC terminals for simple installation.

The 300 Watt pure sine wave inverter converts the 12 Volt, 24 Volt or 48 Volt DC Volt into AC power for AC devices such as TV, lights, power tools, cooker, kettle, blender ect.

XANTREX Prosine 1800 Watt Sine Wave Inverter. Offering superior quality sine wave output, the Prosine 1800i stand-alone inverters are ideally suited for electrical systems that already have a ...

Buy IT Series Pure Sine Wave Power Inverter With 12VDC Input & 1800W AC Output | IT12-1800-01 . For customer support, call 1.800.524.9900.

With less than 3% total harmonic distortion, Prosine 1000 and 1800 inverters deliver true sine wave output that is identical to AC power supplied by your utility. This clean output makes ...

Lightweight and compact, this inverter is designed to deliver connectivity, efficiency and performance. It ensures clean, consistent power wherever ...

Lightweight and compact, this inverter is designed to deliver connectivity, efficiency and performance. It ensures clean, consistent power wherever you need it--ideal for RVs, boats, ...

PROsine Inverters deliver true sine wave output that is identical to AC power supplied by your utility. This clean output makes PROsine Inverters ideal for handling sensitive ...

1800 sine wave inverter
