-----

Amman, April 22 (Petra) -- Energy experts have lauded the Cabinet's recent approval of a grid-scale battery energy storage system (BESS) for the National Electric Power Company's ...

In December last year, at the COP28 talks, GEAPP launched the Battery Energy Storage System Consortium (BESS Consortium), through which 11 countries, including India, pledged to ...

The Tesla Powerwall might get headlines, but Amman's desert climate demands specialized solutions. Local installers swear by lithium-iron-phosphate (LFP) batteries--they ...

In this analysis, I delve into the current status of Jordan's renewable energy storage sector, highlight more than five notable projects, and explore the opportunities ahead. ...

Amid rising global occurrences of severe weather events--including the hailstorm that struck Amman, Jordan, in May 2023, damaging solar PV modules in the Shafa'a Badran ...

Why should you choose Huijue energy storage cabinet?As a leading innovator in advanced energy systems, Huijue ensures that this cutting-edge system seamlessly supplies sustainable ...

Our hybrid inverters bridge solar input, energy storage, and local grid or generator power in containerized environments. With advanced MPPT tracking and intelligent switching, they ...

Amid rising global occurrences of severe weather events--including the hailstorm that struck Amman, Jordan, in May 2023, ...

In Amman, there are a number of large solar farms that contribute to the city's energy mix. There is increasing energy efficiency in the city and decreasing carbon emissions, ...

We specialize in the design, execution, and lifecycle care of high-performance solar energy systems--ongrid, hybrid, and off-grid--integrated with cutting edge storage technologies.
