-----

Battery complete with pressure relief valve. For all module types, for grid-connection and feeding into stand-alone grids, for small house systems ...

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Battery complete with pressure relief valve. For all module types, for grid-connection and feeding into stand-alone grids, for small house systems and commercial systems in the Megawatt ...

Our high-quality solar panels, efficient inverters, and robust battery systems are meticulously designed to optimize your energy consumption, ...

Our high-quality solar panels, efficient inverters, and robust battery systems are meticulously designed to optimize your energy consumption, significantly lowering your utility bills while ...

With the continued commitment by the government to empower the solar energy market in the Bahamas, there are wide arrays of solar equipment suppliers that are available in the island.

Our own Lithi-Volt Self-contained system is ready for outside installation and features a Hybrid-12KW Inverter (10-year warranty) and 4 LiFePO4 Batteries (12-year warranty) equaling ...

EcoDirect designs and supplies solar + battery projects in The Bahamas. Our team has the tools and experience to get your next project designed and delivered.

In October 2025, GSL ENERGY successfully installed a 48kWh residential solar energy storage system in the
