The explosion occurred at the Silver Lake Nursing Home in Bristol, which is about 25 miles northeast of Philadelphia, on Tuesday afternoon, causing a large fire.

A resident and an employee were killed after two explosions at the Bristol Health and Rehab Center resulted in a large fire and partial collapse of the building, officials said.

At least two people dead, multiple others reportedly trapped and hurt after explosion rocks Silver Lake Nursing Home in Bucks County, Pennsylvania.

US News: A major natural gas pipeline explosion in northern Los Angeles County on Saturday prompted authorities to issue shelter-in-place orders and temporarily.

At least two people were killed and multiple others were hurt in an explosion at a nursing home in Bristol, Pennsylvania, on Tuesday, Dec. 23, 2025.

The explosion is the latest in a series of gas-safety incidents involving PG& E, evoking memories of a 2010 blast in San Bruno that killed eight people

On October 10, 2025, an explosion occurred at an Accurate Energetic Systems manufacturing plant in Humphreys County, Tennessee, United States, causing sixteen fatalities and at least ...
