Saying free or available rather than busy may be considered a more "positive" enquiry. It may also simply mean that you expect the person to be busy rather than free, rather than the other way ...

I want to make a official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" does't sound formal. So, are there any ...

Containerized Battery Energy Storage Systems (BESS) are essentially large batteries housed within storage containers. These systems are designed to store energy from renewable ...

Photovoltaic energy storage cabinets are designed specifically to store energy generated from solar panels, integrating seamlessly with photovoltaic systems. [pdf]

My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages--Google ...

Ljubljana's photovoltaic energy storage companies aren't just installing panels - they're rewriting the rulebook. Take SolTech Energija's recent project at BTC City shopping ...

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that ...

1 " Free " absolutely means "free from any sorts constraints or controls. The context determines its different denotations, if any, as in "free press", "fee speech", "free stuff" etc.
