-----  
Who owns Nanya Technology?

Nanya is conducting joint technology development with Micron Technology, working together on advanced DRAM manufacturing processes. In 2015, Nanya sold its share of the joint venture, called Inotera, to Micron. Taiwan-based Nan Ya Plastics, which is part of the Formosa Group, is the controlling shareholder of Nanya Technology.

Where is Nanya Technology located?

In order to provide closer support to customers and expand business in Japan & Korea, Nanya Technology has established Japan office in Tokyo in September 2002. Moreover, Nanya Japan has built up its system lab in Year 2015 and dedicated itself to collaborating with customers by offering SI measurement and technology support.
