Compact Containers serves the global shipping and intermodal industry with an efficient, low-cost means to transport containers by Road, Rail, or Sea.

By bypassing the need to transport empty containers to a dedicated folding facility and instead folding and bundling them on-site, SKLADX achieves significant cost savings.

A five-in-one foldable container design could boost efficiency and transform the carriages of empties, claims Florida-based Compact ...

We design foldable intermodal shipping containers that exceed ISO and CSC standards, and the systems needed to fold them standing upright in bundles, safely and quickly.

Compact Container Systems (CCS) has launched the SeaFold HC 40" container, the world's first five-in-one, foldable shipping container to improve operating inefficiencies, ...

Reduce costs with Flexcon's collapsible containers. Our durable, reusable totes collapse flat to save on return shipping and reclaim valued warehouse space.

Reduce costs with Flexcon's collapsible containers. Our durable, reusable totes collapse flat to save on return shipping and reclaim valued ...

Traditional shipping containers contribute to these problems, as a considerable percentage of them travel empty. Enter foldable shipping containers--a revolutionary solution ...

Instant Modular is the leader in high-quality, customizable modular container solutions designed to meet the

diverse needs of industries looking for efficient, flexible, and scalable space.
