/r/EMS is a subreddit for medical first responders to hang out and discuss anything related to emergency medical services.

My class uses EMS testing in Platinum Ed for all of our major tests. I just got back my last result and I ended up failing, I have passed 2 and failed 2, I can do fine in class but for ...

If your forticlient is connected to the EMS server you can't uninstall it, you will need a password set on the EMS server to unisa Forticlient. Ask your EMS administrator for this info

Hey folks, got a quick question about Forticlient and FortiEMS settings. Currently, we're pushing the client install through Intune, which works great in the office because the ...

Hello. I had "EMS Contention Cancellation" pop-up on my claim today. It was back in September but just showed up today. Any idea what it means? I called the VA and they said they ...

Imo EMS is not a must very good for recovery and increasing volume, for those who actually train in the gym/sports. Elite athletes are familiar with it for a reason. But of course people are lazy ...

This subreddit's mission is to provide resources, support, feedback, and a community for those interested in emergency medical services. Discuss, ask, and answer questions about EMS ...

Hi All, Trying to setup EMS cloud and struggling with user verification. What does your setups typically look like? Perhaps I'm missing something and what I'm trying to configure ...

The EMS training where we practice finding the patient, then emergency patient moves (in a blacked out,
